Don,
Our next meeting is May 14 and I would love to have you present. Let's give you a slot in the presentation portion that starts in the afternoon, somewhere around 1 - 1:30 if that works for you.
John

Good morning,

Attached is the final exit survey for this year's event. As always the attendance numbers are subject to many variables such as speed of car traffic, pedestrian traffic, bicycle traffic, etc.. For sure this was the largest event we have ever had. I believe we are almost at capacity for Saturday. The good news is that 93% surveyed were very satisfied with our event and 84% said they will be returning next year. That being said, should I make a presentation to counsel?

Also can you facilitate a Town Hall Meeting for the Battle of the Bridges? I think this would negate the few detractors.

Thanks!
