Such notice will include an amended termination date. In no event shall the completion date be extended beyond three years following the effective date of the initial Project AGREEMENT.

Provided, however, nothing contained in this paragraph shall constitute a waiver of sovereign immunity or of the limitations on liability provided to SUBGRANTEE under the Florida Constitution or general law. Further, the parties acknowledge that the SUBGRANTEE is self-insured. The terms of this section shall survive the termination or expiration of this AGREEMENT.

Prior to the final reimbursement, a final Project report shall be submitted and shall include at a minimum: a Project summary, photo(s) of the completed Project, final cost, Project benefits to the waterway, and location address.

Records will be maintained according to the State of Florida General Records Schedule. The SUBGRANTEE shall also allow inspection of the Project by WCIND and/or SUBGRANTOR at any reasonable time upon request. Any refusal of the SUBGRANTEE of this right of access for inspection and/or audit by WCIND and/or SUBGRANTOR can cause unilateral cancellation of this AGREEMENT.

The SUBGRANTEE shall be responsible for the operation, maintenance, and management of the Project for the anticipated life of the Project and shall be responsible for all expenses required for such purposes. The Project shall be maintained in accordance with the standards of maintenance for other similar facilities and in accordance with applicable federal, state, and local health standards. terminated with the refunds being transferred into the County's unencumbered CNIF reserve balances. In addition to the aforesaid refund payment, WCIND may pursue all other remedies available at law or in equity against the County for breach of this Agreement, including, but not limited to, specific performance and other appropriate injunctive relief.

b. **Waiver.** WCIND's failure to give the aforesaid notice to cure shall not be construed as a waiver of any County breach or default. Furthermore, an actual waiver by WCIND of any County breach shall not be construed as a waiver of any subsequent breach(es) of any other duty or obligation imposed by this Agreement.

12. **ENTIRE AGREEMENT; MODIFICATIONS.** This Agreement embodies the entire understanding of the respective Parties hereto regarding the subject matter hereof, and supersedes and replaces any other agreements or understandings, written or oral, in effect between the Parties relating to the subject matter hereof. With the exception of time extensions approved by the WCIND Board in accordance with Section 2 above and Rule 66A-2.0072, F.A.C., all modifications to this Agreement shall be made by a written amendment duly executed by authorized representatives of WCIND and the County. Amendments seeking to change the Project's category or the amount of financial assistance, shall be approved and executed by the WCIND Board. The WCIND Executive Director may approve and execute amendments which change the Project scope, but do not change the Project's category or amount of financial assistance. Formal amendments to this Agreement shall be made in substantial conformance with the Project Agreement Amendment Form, attached hereto as Exhibit "G".

13. **THIRD-PARTY OPERATORS.** The County may authorize project funds for use by third-Party operators in accordance with Rule 66A-2.007(8), F.A.C. However, the rights, duties and obligations arising under this Agreement shall not be otherwise assignable to a third-Party operator or any third Party whatsoever, and the County shall remain solely responsible for the compliance of the terms and conditions set forth herein.

14. **SURVIVAL OF CERTAIN TERMS.** Notwithstanding any provisions to the contrary contained herein, provisions of this Agreement requiring continued performance, compliance, or effect after termination or expiration hereof, shall survive such termination or expiration and shall be enforceable by the WCIND should the County fail to perform or comply as required by the same.

15. **NO AGENCY RELATIONSHIP.** WCIND's role with respect to the Project is that of a funding assistance authority only and WCIND is not, and shall not be considered to be, an agent, partner, or joint venturer with the County with respect to the Project.

16. **INDEMNIFICATION; SOVEREIGN IMMUNITY.** Each Party hereto agrees that it shall be solely responsible for the wrongful acts of its employees, contractors, and agents. However, nothing contained herein shall constitute a waiver by either Party of its sovereign immunity and the liability limitations set forth in Section 768.28, Fla. Stat.

17. **VENUE; GOVERNING LAW.** All disputes arising under this Agreement shall be governed by the laws of the State of Florida. Any dispute arising hereunder shall be subject to, and all rights contained herein may be enforced through, an appropriate action in law or in equity as brought in a court of competent jurisdiction located in Sarasota County, Florida.

18. **ATTORNEY'S FEES.** In the event of litigation relating to the subject matter of this Agreement, the prevailing Party shall be entitled to receive from the other Party/Parties its reasonable attorneys' fees and costs.

19. **SEVERABILITY.** If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of this Agreement if the rights and obligations of the Parties contained herein are not materially prejudiced and if the intentions of the Parties can continue to be effected. To that end, this Agreement is declared to be severable.

20. **MUTUAL TERMINATION.** Notwithstanding any provisions to the contrary contained herein, upon written request by either Party, WCIND and County may mutually agree to terminate this Agreement. All undisbursed Project funds remaining at the time of such mutual termination will be transferred into the County's unencumbered CNIF reserve balances.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the dates shown below.
