Subject: Council Action

Lori,

Please place the following on the agenda under Council Action:

“Request a joint meeting of Sarasota County and the City of Venice”

I would like Council Members to submit ideas for joint discussion by October 19 noon so that they can be included in the agenda for October 27 meeting. I offer three topics as a starter:

1. Instituting a MSTU to more fairly share the cost of the Sheriff's Department between the Cities and the County
2. Consider the entire Seaboard area and three bridge gateways to Venice as a joint CRA area to be governed by the City, County and stakeholders of the area.
3. Define the Regional Parks that fall within the City of Venice city limits and what level of service should be provided these parks by the County, including use of impact fees.

Ed, I would like to talk with you on this when you have time.

John
