Subject: Special Event Costs.....County....Agenda Item
Attachments: image001.jpg

Ed, per our discussion I contacted the county for information on how they evaluate and charge for special events. This information should be very helpful as we look at our event costs and how we charge.

Below is the Sheriff's costs.

I have fire and public works and will send in another e-mail.

Lori, please place county information with the agenda topic.

Much thanks to the county for sharing their information with us.

Regards,
Councilman Bob Daniels
Venice , Florida

Subject: Sheriff's Office---Specail Detail Program

Commissioner Robinson and Council Member Daniels,

Chief Tobias advised that you were inquiring about specifics regarding our special detail program as it relates to special events across the county. Please peruse what I have below and if you have any further questions or concerns feel free to contact me personally.

Public Service Aide (civilian) \$29/hr.

Deputy \$35/hr.

Sergeant \$40/hr.

Lieutenant \$44/hr.

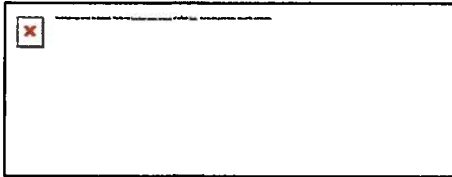

Marked Vehicle (required for traffic related events) \$10.00/hr.

- 3 hour minimum – An employee can work less than 3 hours but must be paid for 3 hours
- 5 – 9 deputies require the hiring of a sergeant
- 10 – 14 deputies require the hiring of a sergeant and lieutenant

As to the determination of public safety requirements for a particular event, that can vary depending on the event. Typically an event organizer will either contact the sheriff's office directly or go through County Planning to obtain a permit. Once the sheriff's office is notified, we will review all aspects of the event. There really is no set formula on how many deputies/officers to staff an event. We look at a number of factors that include; type of event, venue, expected attendance, environmental factors,

alcohol permitted, prior similar events, etc. We then use the training and experience of our staff to outline a staffing plan to effectively handle all probable issues that may occur.

Hope this is what you are looking for.

Subject: RE: Special Event Costs

Good Afternoon Commissioners and Vice Mayor

We are advised of the events along with other County agencies through the Temporary Use Permit (TUP) procedure.

Currently Sarasota County Fire Department charges the following rates for special event coverage under Resolution 2003-318:

Fire Engine: \$45 per hour
Ladder Truck: \$45 per hour
Brush Truck: \$35 per hour
Special Operations Squad: \$45 per hour
Command Vehicle: \$8.50 per hour
Ambulance: \$21 per hour
Fire Boat: \$27 per hour
Personnel costs: Actual wage of personnel

We determine the coverage needed on factors including: number of participants, location and geography of event, type of event, weather conditions, time of day, number of days, likelihood of injuries and other factors such as alcohol being served.

I am not familiar with the Sheriff's special event operations, so I forwarded your email to Colonel Burns and asked him to reply to you.

Please let me know if you have any other questions.

Thank you

Mike Tobias

Dear Vice Mayor Daniels,

Thank you for your e-mail. The e-mail body came through as an attachment so I have copied and pasted the questions below and highlighted them for easier access to staff.

Best Regards,

Christine

I observe the Civility Rule: I will conduct myself in a civil manner in all communications and will require, and expect, the same of individuals communicating with me.

All e-mail sent and received is subject to the public records laws of the State of Florida

What are the charges if the event requires fire or police? Also how do you determine if the event requires public safety at the event?

Regards,
Councilman Bob Daniels
Venice, Florida

Subject: RE: Special Event Costs

Good Morning,

Within Sarasota County, there is a Temporary Use Permit Process (application is attached) where large events, those with large tents, the use of port-o-lets etc.. must be reviewed by multiple departments including the Sheriff's Office, Fire, Zoning etc... If it is determined that Paramedics or Sheriff's Deputies are needed during an event, charges would be based on the quantity and the type of coverage needed. Unless it is a County sponsored event, the fees associated with these services would be paid by the organization or individual requesting the event.

The various municipalities within the County have their separate rules and protocols that must be followed.

Please let me know if I have answered your questions or if you are seeking more information. I am always happy to help.

Carolyn
