Jetty Jacks Petition To Sell Beer and Wine

Humphris Park (where you are now) does not allow any alcohol. Therefore Jetty Jack's is not allowed to offer beer & wine to its customers. Over the past few years Jetty Jack's has been trying to gain approval from the City to offer beer and wine only, not hard alcohol, to meet the many requests of our customers. Jetty Jack's agreement with the City already requires it to close around sunset so no unwanted late night activity would occur. Article 26-46 of the code enforcement states that in order to change this provision the City Manager of Venice has to write a letter approving our request. Sounds simple. Every other concession stand in Sarasota County is allowed to offer beer and wine products except Jetty Jack's & Venice Beach. Jetty Jack's needs a level playing field while it works it's way through these challenging times. The Governor of Florida has created laws to help restaurants survive. All Jetty Jack's is asking is that the City of Venice does so as well.

By signing this petition you are asking the City to reconsider their denial and approve the ability for Jetty Jack's to offer Beer and Wine. By providing my email I am requesting that the City send me information as to why Jetty Jack's is prevented from selling Beer & Wine and what can be done to change this. I am over the age of 21.

Jetty Jacks Opinion Poll

To Sell Beer and Wine

By signing the below it is my opinion that it would be great if the City of Venice helped Jetty Jack's do whatever it takes so they can sell Beer and Wine. Allowing the sale of Beer and Wine at Jetty Jack's will meet a high demand while providing a better experience for adults visiting the Venice South Jetty. I am over the age of 21.

Jetty Jacks Opinion Poll

To Sell Beer and Wine

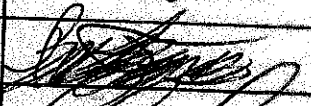

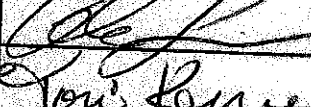

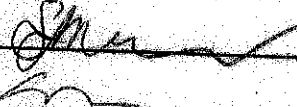

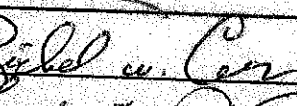

By signing the below it is my opinion that it would be great if the City of Venice helped Jetty Jack's do whatever it takes so they can sell Beer and Wine. Allowing the sale of Beer and Wine at Jetty Jack's will meet a high demand while providing a better experience for adults visiting the Venice South Jetty. I am over the age of 21.

Jetty Jacks Opinion Poll

To Sell Beer and Wine

By signing the below it is my opinion that it would be great if the City of Venice helped Jetty Jack's do whatever it takes so they can sell Beer and Wine. Allowing the sale of Beer and Wine at Jetty Jack's will meet a high demand while providing a better experience for adults visiting the Venice South Jetty. I am over the age of 21.

Jetty Jacks Petition To Sell Beer and Wine

Humphris Park (where you are now) does not allow any alcohol. Therefore Jetty Jack's is not allowed to offer beer & wine to its customers. Over the past few years Jetty Jack's has been trying to gain approval from the City to offer beer and wine only, not hard alcohol, to meet the many requests of our customers. Jetty Jack's agreement with the City already requires it to close around sunset so no unwanted late night activity would occur. Article 26-46 of the code enforcement states that in order to change this provision the City Manager of Venice has to write a letter approving our request. Sounds simple. Every other concession stand in Sarasota County is allowed to offer beer and wine products except Jetty Jack's & Venice Beach. Jetty Jack's needs a level playing field while it works it's way through these challenging times. The Governor of Florida has created laws to help restaurants survive. All Jetty Jack's is asking is that the City of Venice does so as well.

By signing this petition you are asking the City to reconsider their denial and approve the ability for Jetty Jack's to offer Beer and Wine. By providing my email I am requesting that the City send me information as to why Jetty Jack's is prevented from selling Beer & Wine and what can be done to change this. I am over the age of 21.
