Subject: Award Piggyback Contract to Ajax Paving Industries of FL, LLC
Pinebrook Road Resurfacing and Minor Bridge Repair

Background: The City of Venice and Sarasota County executed an Interlocal Agreement to transfer certain City and County maintained road (Attached). As a condition of the transfer agreement, the City has agreed to resurface Pinebrook Road from Water Street to Venice Avenue including minor bridge repair prior to the transfer of this segment to Sarasota County.

City Council approved Budget Amendment Ordinance 2014-14 on April 22, 2014, and allocated \$337,335 in funding to complete the Pinebrook Resurfacing Project. Since the approval, the City has negotiated a contract cost consistent with the unit prices awarded in Sarasota County Contract No. 2014-419. Staff recommends approval of the award to Ajax Paving Industries of FL, LLC, a local contractor, for completion of this project in the amount of \$450,536.86. An additional appropriation will be necessary from Gas Tax Revenues to complete the project. Staff recommends authorization of Gas Tax Revenues in the amount of \$120,000 for the contract and city controlled contingency funds. A future budget amendment will be provided.

Requested Action: Motion to appropriate \$120,000 in Gas Tax Revenues to the Pinebrook Road Resurfacing Project and to award a piggyback contract to Ajax Paving Industries of FL, LLC in the amount of \$450,563.86 to complete resurfacing of Pinebrook Road from Water Street to Venice Avenue and minor bridge repair.

Risk Management: Approved.
