Fountain at Ruscelletto Park, proposed by Venice Area Beautification, Inc. (VABI) - Judith Keeler, VABI President

Ms. Keeler displayed a photo of the proposed fountain, provided an overview of the location, and the fountain, noted the proposal will be presented to the Parks and Recreation Advisory Board for electrical and maintenance purposes, the fountain will be on a lighted time cycle in the evenings with a variety of colors, stated approval was received by the Venice Housing Authority (VHA) and residents of Venetian Walk, and requested board approval as public art.

Discussion followed on fountains not being defined as art in the ordinance, and visibility of the fountain.
