Mark your calendars for the Mayors Millennial Summit
Brought to you by the Florida League of Mayors
February 27 & 28, 2014

Have you ever wondered what the future holds for your city? Who will take your place leading your community?

Attend the Florida League of Mayors Millennial Summit, and learn how to engage and involve America's newest generation, your citizens 18-29 years old, in your city and community.

It is estimated that there are approximately 50 million people in America between the ages of 18-29. More than half of the world's population. They are the first generation to fully embrace technology.

They are globally oriented, extremely diverse, technologically brilliant and the most progressive politically.

- How do we reach them?
- How do we engage them?
- How do we train them to lead our cities.

Come hear fascinating speakers, engage in thought provoking discussions on the future of cities with the next "greatest generation." Invite a young professional from your community to join you at the Mayors Millennial Summit.

Make your hotel reservations today. We have a block of rooms with a room rate of \$179 reserved at the following: (click on the link below to make a reservation online)
