Experience:

Director of Insurance Operations

Florida School Boards Association/Florida School Boards Insurance Trust

Controls and responsible for all aspects of safety, health, risk management, and insurance operations. Prepare and provide communication on data analyzed that identifies injuries, property damage, and or claim trends to assist the Executive Director, Trust broker, Trust management, and the members' management with exposure control. Prepare and provide communication on the members' information relative to enterprise risk management, including current physical condition, documentation, history, future condition, and plans that may have an effect on the members' current and future loss potential and provide recommendations to control exposure. Provide assistance to Trust members with regard to claims, procedures, coverage issues, and excess reporting. Work with excess carriers regarding premiums, coverage issues, and settlements. Maintain a working knowledge of current legal and legislative changes in workers' compensation law and property & casualty issues. Be prepared to respond to changes that negatively affect the Trust and offer solutions. Provide technical support to assist members in complying with safety, health, employment practice regulations, and standard practices and make recommendations that will reduce losses and solve problems associated with losses. Provide or obtain required services such as training, seminars, workshops, presentations, or lectures for the members and any other entity or organization identified by the Executive Director. Monitor expenses to include: expense reporting, following expense policies, suggesting changes to policies, vehicle control, travel control, and monitoring internal and external educational needs. Assist the Executive Director, Trust broker, and any other person identified by the Executive Director with sales and marketing of FSBIT and its products. Keeps abreast of current developments in risk management exposures and controls. Was able to formalize all insurance processes with a focus on claims and loss control operations. April 2016 – present

Director, Risk Control

Florida League of Cities, Inc.

Controlled all aspects of the Risk Control Services Department in providing safety, health, risk management, employment practice, regulatory and environmental consultation, evaluation, training and guidance to our 600 plus association members, Florida League of Cities staff, and any other entity or organization identified by the Florida League of Cities Board of Directors. Prepared and provided communications, training, and presentations that identify injury, property damage, and or claim trends to assist association members' in making good business decisions. Prepared and provided communication to the association's Board of Directors, member Mayors, and Executive Directors of the members' current physical condition, documentation, history, future condition, and plans that may have an effect on the members' current losses and future loss potential. Reduce, control, or eliminate losses for the association and members. Provided technical support and educational opportunities to assist members in complying with safety, health, employment practice regulations, standard practices, and legal requirements. Made and monitored recommendations that will reduce losses and solve member problems associated with losses. Doubled the association's Risk Control services, which assisted in the retention of members to 98% the last two years. April 2007 – April 2016

Executive Director

Florida Municipal Association for Safety & Health (FMASH)

Reported directly to the Board of Directors of the Association, responsible and held accountable for the association meeting its' mission and goals. Lobbied and educated elected officials to understand and agree with the association's viewpoints relative to safety, health, and environmental laws and regulations. Influenced other associations to agree with FMASH's viewpoints and mission. Currently still working with the Association in the process of creating a safety and health Accreditation Program and lobbying state elected officials to support the program with the statute. Organized onsite, regional, and statewide training classes. Organized and provided annual conferences for association members. Increased membership every year since first appointed by the Board of Directors. May 2007 – April 2016

Risk Control Director**CNA Insurance Company**

Accountable for all aspects of Risk Control operations in the state of Florida for CNA. Manage a team of 21 Risk Control consultants, statewide budget, and resources. Hired to correct troubled office both in personnel and output. Assisted in the Florida office going from the last place in the nation for loss ratio, premium, and retention to best in the country. April 2003 – March 2007

Corporate Safety Manager**Golub Corporation**

Assisted in the corporation reaching for the first time an incident rate below the BLS average for grocery market industry. July 2001 – April 2003

Accident Prevention Account Manager**Royal & Sun Alliance Risk Management Global (EBI Companies)**

Provided over \$600,000 in insurance dividends to assigned companies due to loss reductions during the annual review. December 1998 – July 2001
