Have you ever been convicted or pled "no contest" to a misdemeanor offense?☐ Yes ☒ No**If yes, give details:**

I believe in 1997 (sometime in my early years of college), I pleaded guilty to a speeding ticket in Los Banos County, CA. I was driving from Southern CA to Northern CA, not paying attention to my speed. I cannot recall whether this offense was an infraction or a misdemeanor but thought it best to disclose it. The records have since been long destroyed and I am unaware of how to find out further details of the incident.

Why are you interested in serving on a board or commission?

Given all of the new development in the City of Venice, I want to be a voice and representative of my peers and fellow residents. Venice is attracting numerous types of families, young and retirees alike, who will be populating our new developments, parks, libraries, restaurants, schools, and other public spaces. I want to help in the planning of the City and how to best utilize the available and existing land in order to continue to attract and embrace the diverse and growing population. My husband, who grew up in Venice, brought our family back from the West Coast, and we truly enjoy it here. As an invested and proud resident of the City of Venice, I hope to share this joy with all members of the community in an organized and thoughtful way for our residents.
