Dear Kristen,

Thank you for your response, of course Mr. Pinkerton is welcome to attend. There are seven council members and four staff members present at the meeting. Generally there are about a dozen other people in the audience, but that varies; the meeting is live streamed and is archived as a retrievable recording. If you wish to use Power Point, please drop off your presentation by June 3 so that it can be included in the agenda package. An overhead is available for your use as well.

We will try to place you on the agenda first for presentations, but I cannot guarantee that placement. Please try to limit your presentation to 10 minutes and leave time for questions afterward. We look forward to finding out more about Florida Center

Dear Mayor Holic,

Our COO, Dr. Kristie Skoglund, is looking forward to presenting to the Venice City Council on June 11th. We would like to prepare packets of information, so can you tell me if there will be more people than just the council members? Also, Scott Pinkerton, who is on our board of directors, offered to accompany Kristie, so will that be okay?

Thank you again!
Kristen

Subject: Question

Greetings,
As a 29 year resident of Venice, I thought by now I would have been exposed to all the wonderful organizations that serve our area. Having served on the United Way of South Sarasota County Board of Directors for eight years, I learned of many very worthy organizations and was proud to know that UWSSC was able to do a small part in helping fund many of these worthy groups.

I was made aware of The Florida Center recently and see that UWSSC has contributed to it, however, I know very little about the work you do. I see you have a location in Sarasota and North Port and am wondering if someone from the organization would be willing to do a 10 minute presentation to Venice City Council on what Florida Center is all about. If this would be possible, city council meets on the second and fourth Tuesday of each month with the exception of no meeting on the fourth Tuesday of July and second Tuesday of August. If someone is willing to do the presentation, we will need a contact name at least one week prior to the meeting, my contact information is below.

Thank you in advance for your consideration.

Sincerely,

John Holic
