Dear Venice City Council Members,

I am a homeowner in the Sawgrass Community who fully supports the approval of the Sawgrass PUD as originally written. I am urging you to please do the right thing and vote to approve the Sawgrass Community as a PUD, as originally written, to maintain our open spaces and prevent further development within our community that was never intended or approved. Thank you for your understanding and support in maintaining the integrity of the Sawgrass Community!

Sincerely,

Scott Ditmarsen

Dear Council members, When we purchased our home overlooking the sixth green of the Sawgrass golf course we were told that the Waterford golf course was always going to be a golf course or green space. We moved to Venice seven years ago because we liked the “small town” atmosphere of the City. Venice was not over developed. I feel that we are beginning to see the end of the green space that made this community desirable. I encourage you to vote to approve the Sawgrass Community as a PUD. We need to preserve our golf courses and green spaces not eliminate them. An active community is a healthy community. By approving the Sawgrass community as a PUD you will be ensuring that the green space remains.

Thank you for your consideration,
Teri Hendy
