Lori,

Please place this on the next agenda under "Council Action" with proposed action:

"I move that Venice City Council send a like letter to the Governor of Florida requesting the replacement of SFWMD Board."

Please request a copy of the letter the City of Stuart sent or is sending and attach it to this agenda item.

Thanks

John

Subject: SFWMD Stunt

Our state and federal reps have gone on record supporting action to move forward on using land in the Everglades Agriculture Area for a reservoir to help us out of this red tide dilemma.

In an act of supreme arrogance, the Scott-appointed directors of the SFWMD put a vote on their meeting agenda at 9 pm the previous evening to extend a lease to a sugar company not scheduled to expire til next March to block the improvement projects for our water. Further Desantis and Mast asked them to knock it off and delay. They ignored them.

The link below shows action being taken by Stuart, FL to protest this behavior. You might say Stuart is our Sister city in slime on the East Coast.
