WHY DO YOU DESIRE TO SERVE ON THE ABOVE BOARD? The Parks and Recreation available in our community has been very important to myself and my family. As a young parent, we were very active using the parks due to little league, soccer, swimming, surfing, biking and running activities. As a teacher, I took my classroom to the parks on regular visits. I was actively involved in creating the 1st privately funded playground at Venice Elementary. I also spearheaded the planting of trees on our street to create a shaded pedestrian way.

I would like to continue to see the
parks and recreational activities grow
and improve in the years to come.
I have used them as a young mother,
a teacher, a spouse of an athlete and
a somewhat active almost retiree.
