NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF SARASOTA COUNTY:

SECTION 1. Article V of Chapter 90 of the Code of Ordinances of Sarasota County, Florida, entitled “Strategic Plan for Homelessness,” is hereby created.

SECTION 2. Section 90-94 of the Code of Ordinances of Sarasota County, Florida, is hereby created as follows:

Sec. 90-94. Applicability

This article shall be applicable to all of the unincorporated area of Sarasota County.

SECTION 3. Section 90-95 of the Code of Ordinances of Sarasota County, Florida, is hereby created as follows:

Sec. 90-95. Findings of Fact.

(1) Sarasota County population of individuals without homes has been documented by the following activities.

(a) In January 2017, the Suncoast Partnership to End Homelessness conducted the 2017 Point-in-Time Survey, which is a one day count of individuals without homes. The result of the survey identified 877 individuals.

(b) According to data collected by Sarasota County Health and Human Services for calendar year 2016, individuals without homes on average represent 15% of the Sarasota County Jail’s population, 53% of admissions to the Addiction Receiving Facility, 46 % of admissions to the Mental Health Crisis Stabilization Unit and 3.2 % of all Sarasota County 911 emergency medical calls.

(2) The financial costs for Fiscal Year 2017 to Sarasota County related to direct and indirect homeless services, through not-for-profit organizations, has been identified at \$ 3,166,946 .

(3) The financial costs for calendar year 2016 to Sarasota County’s Emergency Medical Service (EMS) to respond and transport individuals without homes to medical care and provide initial medical assessment has been identified at \$1,960,339.

(4) The cost for calendar year 2016 to incarcerate individuals without homes in the Sarasota County Jail has been identified at \$3,372,600.

(5) The EMS and jail costs provide only crisis stabilization services and by nature are not designed to treat the root causes of homelessness.

(6) The local not-for-profit organizations regularly report to the Office of Homeless Services that while their services provide treatment, the lack of available housing and sheltering interfere with the ability to provide continuum of care services to those in need.

(7) Sarasota County Human Services has identified that while currently there are 937 beds in the community to include emergency shelter, transitional housing and permanent housing, all of these beds have restricted access. Sarasota County currently has zero unrestricted beds available for individuals without homes.

(8) Sarasota County currently has no facility with unrestricted beds to accommodate individuals without homes 24 hours a day, 7 days per week.

(9) On April 17, 2017 the Florida Housing Coalition recommended to the City of Sarasota Commission and on April 25, 2017 recommended to the Sarasota County Commission the establishment of an emergency shelter with unrestricted beds where individuals without homes may remain 24 hours a day, 7 days a week to receive services to address their root causes of homelessness and divert their use of the jail and emergency room.

(10) Except in places provided therefore or where reasonably necessary, sleeping, lying down, or reclining on public streets, sidewalks and walkways interferes with the primary purposes of pedestrian and vehicle flow on the public street, sidewalk or walkway.

(11) Public urination and defecation contribute to unsanitary conditions, potential disease, and stormwater pollution.

(12) The storage of personal property on private or public property interferes with use of the property.

(13) The plight of individuals without homes who must perform certain life-sustaining activities, such as sleeping outdoors due to a lack of available space in an Available Shelter, storage of personal property outdoors, or public urination, should not be resolved through criminal sanction, but rather by encouraging the Individual Without a Home to seek temporary lodging and aid from social services at an Available Shelter.
