Subject: AGENDA FOR OCTOBER 23

Lori, please put the Hamilton and the building know as the VABI building on the agenda. Ed, mentioned he is working on getting an appraisal for the Hamilton building, we need to get both buildings appraised. The two buildings being sold together would bring in considerable more money.

This money from the sale, could be used to reduce the cost of the new fire station, or lessen the tax burden on the tax payers when the city takes over the parks from the county, or cover potential financial shortages on the new Police station.

The buildings once sold, to the private sector will come back onto the tax rolls for a continued revenue stream.
