Information regarding Affected Person Status:
• All members of the public have the opportunity to speak under the audience participation section of a public hearing. You do not need to file a Request for Affected Person Status to be allowed to speak at the public hearing.
• If granted affected person status, you will have the same opportunity as the applicant to present evidence and testimony and to cross-examine witnesses for the applicant, City, and any other party. You may also be cross-examined by the City, applicant, or any other party.
• To be eligible for affected person status you must submit this application to the City Clerk, including all appropriate documentation, at least three (3) business days prior to the public hearing.
• Your status as an affected person will be determined at the public hearing. Staff does not have any part in the determination.
• You must be present at the public hearing concerning the matter in which you are seeking affected person status.
• The granting of affected person status by the Planning Commission does not guarantee City Council will grant affected person status. A new request will need to be timely submitted to the City Clerk's office prior to the public hearing before City Council.
• The granting of affected person status is limited to the land use petition at issue. If a subsequent petition is filed for the same property, affected person status will need to be requested again prior to the public hearing. For example, the granting of affected person status for a zoning map amendment does not mean you automatically have affected person status for a preliminary plat or site & development plan petition for the same property.
