SUBJECT / TOPIC: Gulf View Section Historic Resources Survey Final Report

BACKGROUND INFORMATION:

In August 2023, the City of Venice hired Chronicle Heritage to conduct a historic resources survey of the Gulf View Section of Venice. The purpose was to update Florida Master Site Files for resources in that section as well as to capture those historical resources that went beyond the John Nolen Era (1926-1929).

Surveying was limited to structures built in 1960 or prior. Overall, 258 resources were identified, and corresponding Florida Master Site Files were updated or created for each.
