SUBJECT: Special Event Request – New Year's Eve Fireworks at Sharky's on the Pier
(Tuesday, December 31, 2013: 12:00 Midnight)

Request

Sharky's on the Pier has approached the city with a proposal to provide a fireworks display on New Year's Eve. They have acquired the professional services of Zambelli Fireworks to provide the display and obtain all required permits from the appropriate agencies. These applications are in progress. If City Council approves the event, the approval is contingent on all required permits being approved and issued prior to the event.

In addition to required permits, the applicant will be required to execute the city's event agreement confirming all responsibilities and expectations and all costs for services associated with the event. The execution of this agreement is also included as a contingency of any council approval.

Requested Action

Staff respectfully requests City Council approval of this special event.
