

Office of the Mayor

Proclamation

Whereas, engineers help design, construct and maintain the infrastructure and facilities that contribute to a high quality of life for all residents of Florida; its growth depends on engineers executing innovative, creative, high-quality solutions to technical problems; and

Whereas, engineers are bound by their ethical canons to hold paramount the safety, health and welfare of the public; promote social and economic interests of the engineering profession, and stimulate and develop professional concepts among all engineers through education and in practice; and

Whereas, engineers in the City of Venice contribute directly to the quality of life in the City by working with others to improve the safety and quality of our roads, our houses, our workplaces, our water, our environment and the products we use; and

Whereas, members of the American Society of Civil Engineers, Florida Engineering Society, American Water Works Association, Florida Water Environment Association, American Public Works Association and the Florida Institute of Consulting Engineers are making strides to interact with the public sector and local schools to prepare future engineers to maintain our economic leadership and quality of life, it is fitting that we recognize and honor the continuing contributions of America's engineers by observing Engineers Week with the theme: "Engineering New Horizons."

Now, Therefore, I, John W. Holic, Mayor of the City of Venice, Florida, on behalf of the Venice City Council do hereby proclaim the week of February 21 through 27, 2016 as

Engineers Week

in the City of Venice and ask all to encourage the increase in understanding of and interest in engineering and technology careers and the promotion of literacy in math and science.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the City of Venice to be affixed this 9th day of February, 2016.

John W. Holic, Mayor
