Ed,

My board typically considers any joint meeting requests from the municipalities at their annual board retreat. This year's retreat was last Friday. While we had requests from the Town of Longboat Key and City of Sarasota my Board noted that there was not request from Venice

They wanted to make sure that your board knew that the offer extended to Venice as well. If your board authorizes you to request a joint meeting, I will bring it back to my board for formal authorization and then we could move forward.

Thank you and please let me know any updates.

Jonathan
