City of Venice Public Safety Facility

EXECUTIVE SUMMARY REPORT

ESR 01-APR2019

DISTRIBUTION: Mr. Rob Goodson/Venice Police Department

PREPARED BY: Otb Consulting, Inc.

This report may contain progress information provided by third party sources. Otb has attempted to confirm all information, but cannot guarantee the accuracy of information provided by those sources.

■ GENERAL PROJECT STATUS SUMMARY

Site permits have been issued for site prep to begin, and the remaining Site permitting is pending final revisions and approval. Bid Documents for GMP 2 Scopes of Work were completed by Dewberry on March 25, 2019. These documents have been submitted to the City's Building Department for review and permitting. They are also being bid by Ajax/Tandem Construction for the Scopes of Work to be included in the GMP 2 Amendment.

■ ADMINISTRATIVE

City Council approved GMP Amendment 01 to the Construction Contract during the March 12, 2019 session, which included Site Work and Early Release submittals Scopes of Work. A *Limited Notice To Proceed* for the Scope of Work defined by GMP 1 Amendment was provided by the City to Ajax/Tandem Construction on March 18, 2019.

■ OWNER DIRECT PURCHASE PROGRAM (ODP)

The Purchase Order preparation and execution process for Owner Direct Purchase of materials for tax savings is being finalized with CoV Procurement Department and Ajax/Tandem Construction.

■ **OWNER VENDOR AGREEMENTS**

The City is reviewing proposals received for Building Commissioning services and Construction Materials Testing services. Agreements will be executed with the selected firms after reviews are complete.

■ **FIELD PROGRESS**

Initial clearing at the site started the week of April 8, 2019 for required Site Protection installation. Adjacent neighbors have been notified of the upcoming construction activities scheduled for the next few weeks.
