Legacy Park Construction - Landscaping and Irrigation  
First Amendment to Locally Funded Agreement

---

**Background:** During construction of Legacy Park, it was determined that additional landscaping and permanent irrigation should be completed. City Council approved the additional expenditure including a request to the Sarasota County Board of County Commissioners (BOCC) to utilize Park Impact Fee in the amount of \$46,721.00 which was approved by BOCC on January 13, 2016. The attached Amendment No. 1 to the existing Locally Funded Agreement authorizes the transfer of \$46,721.00 for the costs for the additional landscaping and permanent irrigation that have already been incurred by the City. Staff recommends execution of the attached Amendment.

**Request Action:**

Approval for the Mayor to Execute the First Amendment to Locally Funded Agreement for use of Park Impact Fees Between Sarasota County, Florida and the City of Venice for Construction of Legacy Park.

**City Attorney:** Reviewed and Approved.
