Re: 501 S. Tamiami Trail – Petition No. PLAR23-00090, Request for Continuation

Dear Ms. Smith,

The subject petition is scheduled to appear before the Historical and Architectural Preservation Board on September 14th. Due to unforeseen scheduling conflicts, we are unable to attend this meeting and formally request one final continuance to October 12th.

Brixmor will have a representative in attendance on October 12th to formally present our request to replace the existing concrete barrel tile with a composite barrel tile.

Thank you in advance for your time and the Board's willingness to work with us.

Respectfully,

A handwritten signature in black ink that reads "Susan Martinez". The signature is written in a cursive, flowing style.
