Clifford Snyder 145 Avens Dr Nokomis FL 34275

I am sincerely against the rezoning of parcel of land next to new hospital. It is a 650% increase in density and not compatible with surrounding neighborhood. There already are apartments 1/8 of a mile away and 3/4 of a mile away. The increase of density will be a detriment to surrounding neighborhood!!!

Sincerely against Clifford Snyder

This is Clifford Snyder 145 Avenus Dr Nokomis Fl 34275. I am a Resident across from parcel of land. The change of zoning from 5 acre single family to 13 per acre is a 650% increase of density which is not compatible with the surrounding neighborhood. Also there is apartments 1/8 of a mile away and also 3/4 of a mile also across I75. So the density and compatibility are incompatible with surrounding neighborhood!!!

Sincerely against Clifford Snyder
