

CITY MANAGER'S REPORT AGENDA ITEM REQUEST

FINANCE DEPARTMENT

TO: Ed Lavallee, City Manager

THROUGH: Jeff Snyder, Finance Director

FROM: Jon Mayes, Procurement Specialist

DATE: December 19, 2013

SUBJECT: Water Main Replacement Program- Phase I (ITB # 2975-13)

Background:

At the request of the Utilities Department, Procurement solicited sealed bids for the "Water Main Replacement Program- Phase I". On November 14, 2013 Procurement received and subsequently opened the sealed bids.

Based on the attached recommendation of award and bid tabulation prepared by the engineer of record for the project, staff recommends award of the project to Young's Communications Co., Inc. of Melbourne, FL as the lowest responsive, responsible bidder in the amount of \$1,055,520.34. Three (3) of the bids received were submitted by local firms, as defined by City Code. None of these firms was within 10% of the lowest bidder, therefore the Code's local preference provision did not apply.

This request is made in concurrence with Len Bramble, P.E., Utilities Director and Tim Hochuli, P.E., Assistant Utilities Director.

Requested Action:

We request Council's approval of the attached contract with Young's Communications Co., Inc., the lowest responsive, responsible bidder for the project in the amount of \$1,055,520.34.

City Attorney Review:

The City Attorney has reviewed this document and finds no legal objections.

Re:

City of Venice Water Main Replacement Program - Phase 1

Recommendation of Award

ITB# 2975-13

Dear Mr. Hochuli;

On Thursday, November 14, 2013, bids were received for the above-referenced project. Young's Communications Co, Inc. (Young) submitted the apparent low Base Bid of one million, fifty-five thousand, five hundred twenty dollars and thirty-four cents (\$1,055,520.34). A Bid Tabulation is attached. Please note that Young's Base Bid written on their proposal is \$1,032,391.25; however, there were a number of extension errors in their line items. Correcting the line items using Young's unit prices results in a total Base Bid of \$1,055,520.34.

King Engineering Associates, Inc. (King) contacted all three of the provided references and those references provided positive feedback. Copies of the records from these reference interviews are attached.

Given Young's positive references on projects similar to the Water Main Replacement Program project, Young appears capable of performing the work. Therefore, it is King's recommendation that the contract be awarded to Young's Communications Co, Inc. in the amount of one million, fifty-five thousand, five hundred twenty dollars and thirty-four cents (\$1,055,520.34).

If you have any questions or need additional information, please feel free to call me at (813) 880-8881.

Sincerely,

Christopher F. Kuzler, P.B.

Sr. Vice President

CONTRACT

THIS CONTRAC	CT, pursuant to (City Council appr	roval granted on		, is
made and entered	into this	_ day of	,	2014, by and 1	between the
CITY OF VENIC	CE, 401 West Ver	nice Avenue, FLO	ORIDA, hereinafi	ter referred to	as the City,
and Young's Co	mmunications C	o, Inc., 424 West	t Drive, of the C	ity of Melbou	rne, 32904
, County of Brev	ard, and State o	f Florida, herei	nafter referred to	as the Contract	or.

WITNESSETH:

THAT FOR and in consideration of the mutual covenants and obligations hereafter set forth, the parties hereto agree as follows:

- (1) The contract documents consist of this contract, standard general conditions, supplemental conditions, special conditions, technical specifications, drawings, bid proposal, payment and performance bonds, all of which are hereby made a part of this agreement.
- (2) The Contractor shall perform all the work required by the contract documents for the following described project:

City Bid # 2975-13: Water Main Replacement Program- Phase I

- (3) The work to be performed under this contract shall be completed within 150 calendar days of the issuance of the Notice To Proceed by the City.
- (4) The City shall pay the Contractor for the performance of the work, subject to the terms and conditions of the contract documents and any written change orders, the contract sum of: One Million- Fifty-Five Thousand- Five Hundred- Twenty Dollars and 34/100 (\$ 1,055,520.34).
- (5) Time is of the essence in this contract. In the event that the work is not completed within the required time, then from the compensation otherwise to be paid to the Contractor, the City may retain the sum of One-Thousand, Five-Hundred and Thirty-Two Dollars (\$1,532.00) per day for each calendar day that the work remains uncompleted beyond the time limit, which sum shall represent the actual damage which the City will have sustained per day by failure of the Contractor to complete the work within the required time, said sum not being a penalty but being the stipulated damages the City will have sustained in the event of such default by the Contractor.
- (6) In connection with the performance of work under this contract, the Contractor agrees not to discriminate against any employee or applicant for employment because of race, sex, religion, color, or national origin. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, lay-off or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post hereafter in conspicuous

places, available for employees or applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the non-discrimination clause. The Contractor further agrees to insert the foregoing provisions in all contracts hereunder, including contracts or agreements with labor unions and/or workers' representatives, except subcontracts for standard commercial supplies or raw materials.

- (7) Contractor agrees to comply with Florida's public records law by keeping and maintaining public records that ordinarily and necessarily would be required by the public agency in order to perform the service; by providing the public with access to public records on the same terms and conditions that City would provide the records and at a cost that does not exceed the cost provided by Florida law; by ensuring that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed excepts as authorized by law; and by meeting all requirements for retaining public records and transferring, at no cost, to City all public records in possession of Contractor upon termination of this contract and destroying any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements.
- (8) This contract and the contract documents constitute the entire agreement of the parties and may not be changed or modified, except by a written document signed by both parties hereto. This contract shall be binding upon the successors and assigns of the parties.
- (9) Scrutinized Companies: Pursuant to Section 287.135, Florida Statutes, this contract may be terminated at the option of the City if the company is found to have submitted a false certification as provided under Subsection 287.135(5), Florida Statues, or has been placed on the scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473, Florida Statues. The CITY agrees to comply with the requirements of Section 287.135, Florida Statutes in connection with the implementation of the PROJECT.

IN WITNESS WHEREOF, the parties to the agreement have hereunto set their hands and seals and have executed this agreement, the day and year first above written.
