Mr. Lavallee:

I understand from Jon Thaxton and Wayne Applebee that we will have the opportunity to discuss potential concepts related to the south county homeless facility with the Venice City Commission on July 22. I have prepared the attached letter that you may use as back ground related to that presentation. A hard copy will be placed in the mail this afternoon.

It is our intent to receive feedback from your commission that we will be able to use when we discuss this with the County Commission in October.

I look forward to discussing this with you and the commission on July 22. If you have any questions, please feel free to contact me.

Thank you for your assistance.
