

CITY OF VENICE

Office of the City Manager

MEMORANDUM

TO: Mayor & Members of City Council

CC: Charter Officers

FROM: Ed Lavalley 

DATE: February 15, 2022

SUBJECT: Recommended Amendment to Ordinance No. 2022-05

At the February 8, 2022 meeting of the City Council, Ordinance Number 2022-05, concerning the sale and possession alcoholic beverages, was adopted on First Reading. In consideration of the fact that adoption of this ordinance will permit the possession and sale of alcoholic beverages on Venice public beaches for the first time, it is recommended that if adopted, a one-year sunset provision be included as an amendment to the proposed ordinance. The inclusion of the sunset clause will provide for a necessary review and reconsideration of the ordinance at the end of the first year. At that time, the City Council will have the opportunity to renew the ordinance or let it expire. If renewed, the continuation of the ordinance does not necessarily have to continue to include a future sunset clause.
