I am a home owner in this community in Nokomis and I am against allowing the builder (Neal Communities), to rezone our community and make changes. We purchased the community on the basis that it would remain the same.

I live at 1130 Cielo Ct. in Willow Chase subdivision. We strongly oppose increasing the density in this area. The high rises across Laurel road have already devastated our property values. People who live and are directly affected by this increase in density are trying to get out in record numbers. Please vote no on this Ordinance. Beverly Visser.
