Date was 04/19/25

Citation Number:70-31 Improper parking

Reason for contesting: enclosed picture shows rear of car is approximately 10 feet from driveway ingress/egress for parking lot. End of apron is just under gas pipe to car. Photo was taken while officer was within 50 feet writing up another vehicle.

A retired police officer and a Venice police officer both told me I should contest. Neither could understand why I was written up.
