

1.15.2. Temporary Use Permit (Private Property)

- A. No change
- B. Applicability. Construction plans must be obtained for all proposed improvements that require site and development plan review under this Chapter or other applicable city regulations. Construction plans shall not be required when no improvements are required by this LDR or when only rights-of-way, drainage or utility easements are required by this LDR, unless deemed necessary by the City Engineer. Required procedures for construction plan review are outlined in the latest version of the City Standard Details. Construction plan review procedures may be updated during the annual update of the City Standard Details or when deemed necessary by the City Engineer. Construction plans will not be accepted for review until all required items, including applicable fees, have been submitted.
