Venetian Golf & River Club Property Owners Association, Inc. ("the Association"), is the official neighborhood association which operates and represents the Venetian Golf & River Club residential community (VGRC). The VGRC community is located directly across Laurel Road to the north from the location of the proposed Commercial Center provided in the subject Site Development Plan. As the crow flies, some of the VGRC homes are located approximately 500 feet from that Commercial Center. The principal entrance and exit of VGRC is directly across the street from the entrance and exit planned for the Commercial Center, so they are to effectively share an intersection in which traffic movement has already proven problematic.

The Site and Development Plan, if it continues to lack adequate stipulations to protect the reasonable interests of the VGRC homeowners and residents, poses adverse impacts upon them with regard to intersection function and safety, noise and light intrusion, traffic, aesthetics and other values to a greater extent than the general public.
