It is the intent and purpose of this Agreement to assure a sound and mutually beneficial working and economic relationship between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein basic and full agreements between the parties concerning rates of pay, wages, hours of employment, and other terms and conditions of employment.

There shall be no individual arrangements contrary to the terms herein provided.

When this Agreement does not speak to a subject, then the City Personnel Procedures and Rules apply. In the event neither the Agreement nor the Personnel Procedures and Rules apply, then the written Police Department Policies and Procedures shall apply. ~~If none of the above apply, then the past practices of the parties shall apply.~~

ARTICLE 1

Section 1. The City recognizes The Florida State Lodge Fraternal Order of Police, Inc. as the exclusive bargaining representative as defined in Chapter 447, Florida Statutes, as amended, for all employees employed in the unit defined by the Public Employees Relations Commission in its certification number 348, issued August 17, 1977, which certification includes all sworn Police Officers in the Venice, Florida, Police Department below the rank of Sergeant.

Section 2. The FOP recognizes that the City Manager is the collective bargaining representative for the City. The FOP further recognizes its obligation to bargain solely and exclusively with the City Manager and/or designee, and to refrain from any approach or appeal to the legislative body of the City (City Council) or any of its members which is designed to influence or change the strategy, methods or proposals being utilized by the City Manager at any phase of the negotiating process, including impasse proceedings, except where specifically authorized by law.

ARTICLE 2

REPRESENTATIVES OF PARTIES

Section 1. The City agrees that during the term of this Agreement it will deal only with the authorized representatives of the FOP in all matters requiring mutual consent or other official action called for by this Agreement. The FOP agrees to notify the City of the names of such authorized representatives as of the execution of this Agreement and replacements therefore during the term of this Agreement.

Section 2. The FOP likewise agrees that during the term of this Agreement the FOP and the employees covered hereunder shall deal only with the City Manager or representative in matters requiring mutual consent or other official action.

ARTICLE 3

MANAGEMENT RIGHTS

Section 1. Except as specifically and expressly abridged, limited or modified by the written terms of this Agreement, all of the rights, powers and authority previously possessed or enjoyed by the City of Venice prior to this Agreement are retained by the City, and may be exercised without prior notice or consultation with the FOP.

Section 2. Nothing in this Agreement shall be construed so as to limit or impair the right of the City to exercise its sole and exclusive discretion on all of the following matters, providing such exercise is consistent with the express terms of this Agreement:

- B. To determine the purpose and functions of the Police Department.

Section 3. If, the Mayor, City Manager or one of their designees declares that civil emergency conditions exist, including but not limited to riots, civil disorders, hurricane/tornado conditions, epidemics, or similar conditions, the non-monetary provisions of this Agreement will be suspended by the City during the time of such declared emergency. The City shall notify the FOP in writing of the date such emergency is declared, and the date the emergency declaration is officially lifted. Pay during a declared emergency will be in accordance with the then existing City of Venice Civil Emergency Pay Policy.

Section 4. The City Charter, together with all applicable General Laws of the State of Florida, shall be supreme to this Agreement in all matters pertaining to or resulting from any negotiations in such areas of discretion as the City's mission, budget, obligation to its citizens, organization, assignment of personnel, tasks, duties, responsibilities, or the technology required to perform work.

Final authority to change, modify, or delete any rule, regulation, policy or procedure rests with the City.

Section 10. The exercise of the above enumerated managerial rights, except as otherwise provided herein, shall not preclude an aggrieved from filing a grievance, but such grievance can be filed only on the grounds that the action complained of is in violation of the express written terms of the "Agreement".

Section 11. Nothing in this Article shall be construed as a waiver of the FOP's right to demand bargaining over the impact of any rule change which has the practical effect of altering terms and conditions of employment.

ARTICLE 4

GRIEVANCE PROCEDURES

Section 1. A grievance shall be defined as any difference, dispute, or complaint regarding the interpretation or application of the terms of this Agreement. The Human Resources Director shall be kept informed of each step of the grievance.

Section 2. Grievances shall be processed in accordance with the procedures as set forth in this Article, and shall be determined by application of the terms of this Agreement, the laws of the United States, and the State of Florida.

When the term “working days” is used in this Article, it shall refer to days actually worked by the supervisor to whom the grievance is directed. Pass days and days designated as holidays are excluded.

Time is of the essence. The failure at any step of the responding party to comply with these rules within the time frame provided shall terminate the grievance in favor of the party awaiting a response. Extensions of time may be granted in writing.

The right to submit a grievance to arbitration shall be exclusive to the FOP. No bargaining unit member may submit a grievance to arbitration without first obtaining written authorization from the FOP. Absent such authorization, the CITY shall have no obligation to process a grievance to arbitration.

Step I

The aggrieved employee or their FOP representative shall present in writing their grievance to their shift commander within ten (10) working days after the employee knew or should have known of the occurrence of the action giving rise to the grievance.

The shift commander shall meet with the aggrieved employee within ten (10) working days after receipt of the grievance.

The aggrieved employee may request that a FOP representative be present at said meeting.

Discussions shall be informal for the purpose of settling differences in the simplest and most direct manner.

The shift commander shall reach a decision and communicate it in writing to the aggrieved employee within ten (10) working days following the meeting date.

Step II

If the grievance is not settled in the first step, the aggrieved employee shall, within fifteen (15) working days of the date of the answer in Step I, reduce the grievance to writing and present the grievance to the Chief of Police, or designee.

The Chief of Police or designee shall obtain the facts concerning the alleged grievance and shall, within fifteen (15) working days following receipt of the written grievance, meet with the aggrieved employee.

The aggrieved employee may be accompanied to this meeting by an FOP representative.

The Chief of Police, or designee, shall notify the aggrieved employee of their decision in writing, not later than fifteen (15) working days following the meeting day.

Step III

If still unresolved, the grievance and all responses shall be submitted to the City Manager, or designee, within twenty (20) working days of the time the response was due in Step II.

The City Manager, or designee, shall review the grievance and response and within twenty (20) working days after receipt, notify the aggrieved employee, in writing, of their decision.

- D. The person whose name remains shall be notified of their selection as the arbitrator in accordance with FMCS procedures.
- E. As promptly as can be arranged, the arbitration hearing shall be held.
- F. The fees and other expenses of the arbitrator shall be paid by the losing party to the arbitration. Either party may request the services of a court reporter at their own

sole expense. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement.

- G. Each party shall pay its own expenses for its representative, counsel and witnesses.
- H. The decision of the arbitrator shall be final and binding on both parties.
- I. During any arbitration proceedings conducted hereunder, either party may pursue discovery in accordance with the Florida Rules of Civil Procedure.

Section 4. Copies of the decision of the arbitrator made in accordance with the jurisdiction and authority of this Agreement shall be furnished to the City, FOP, and the aggrieved employee within thirty (30) days from the date of the hearing.

Section 5. Nothing in this Article shall be construed to prevent any employee from presenting their own grievance with whomever they want to represent them. It is understood that either an individual or the FOP may represent a grievant, but not both. The City shall notify the FOP if an individual files his own grievance.

Section 6. Policy and Class Action Grievances.

- A. In regard to policy set forth by the City Manager and/or Human Resources Office in which the Police Department supervisors have no power or authority to amend or abolish, the FOP stewards will submit a written grievance directly to the authority issuing the policy, with a copy to the Chief of Police. This would be with the Chief's approval as long as there is no minimum manning problem created.

Section 6. The FOP representative or designee is to be informed of all business and/or information relative to members of the bargaining unit, the contract, or bargaining, and is to receive such information or messages during their working hours without delay. VACATION LEAVE

A. ENTITLEMENT

Section 1. Employees shall accrue paid vacation credit beginning on their first day in paid status at their normal base rate of pay. Vacation benefits shall be accumulated by an employee at the end of the month for any month in which they are on paid status for at least eighty (80) working hours. (Vacation, Holidays, Sick Leave, Compensatory Time, or other leave with pay count as time worked for the purpose of this section.)

Section 2. Vacation time will be calculated in the following manner:

<u>YEARS OF CONTINUOUS SERVICE</u>	<u>VACATION ACCRUED</u>
One through Seven Years	(8-hours a month)
Eight through Twelve Years	(12-hours a month)
Thirteen Years or More	(16-hours a month)

B. ADMINISTRATION

Section 1. Vacations shall be selected and scheduled on the basis of current City and departmental policy, except as may be provided below. Employees shall not be granted vacation time off during the first three (3) months of employment, except in case of extenuating circumstances approved by the Police Chief, who may also authorize up to five (5) days leave without pay in case of no vacation accrual. Vacation time will be the first time off scheduled; no other time off will be scheduled until vacations are selected by each employee.

Section 2. Each employee shall be encouraged to take a total of at least two (2) weeks' vacation time off each calendar year.

Section 3. Due to manning requirements and other operational considerations, the City cannot guarantee that an employee will be able to take more than one-half of the newest time earned as time off in any given calendar year.

Section 4. Barring extenuating circumstances, supervisors will review and respond to vacation requests within fourteen (14) days of receipt.

Section 5. All employees shall be encouraged to take at least one-half of the number of days they earn each year in actual time off. As an incentive to that end, they will be allowed to carry over or "bank" from one year to the next only a number of days equal to the number they

take in time off, but no greater than one-half of what was earned. Any time not taken or banked in this manner, subject to the provision of Section 5 below, will be deleted without compensation at the end of each calendar year. An exception to the foregoing will be any employee hired on or after October 1st of any given year, who shall not be required to take half of their accrual for the remainder of that year. However, after being allowed to carry over those accruals to the next year, they will be required to take one-half (1/2) of the total time accrued, including the carry-over, by the end of the year. Probationary employees will be allowed to carry over vacation accrual they are not able to use during their first year.

Section 6. Employees shall be permitted to carry from one calendar year to another not more than four hundred eighty (480) hours of accrued vacation time. Any time over the maximum shall be compensated once annually according to the provisions of Section 5 and 6 of this article. In the event that an employee has accumulated more than this maximum in any one year, and has been precluded by the City from the use of the excess by December 1st of each year, they shall be compensated at their straight time hourly rate of pay (40-hour rate) for all time in excess of the maximum. These payments shall be made on the last pay date of ~~November~~ December each year. Conversely, if there is, by January 1st of each year, excess time over the maximum due to the employee's failure to schedule/request time off, the excess amount will be deleted without compensation.

Section 7. Any employee separated from their job for any reason shall be compensated for all unused vacation leave at the time of separation. Such compensation shall be based on the hourly rate of pay in effect at the time of separation, as calculated by the Finance Department.

Section 8. Should an employee become ill or disabled while on vacation, "vacation leave" shall be changed to "sick leave" effective for the date(s) of the illness/disability, upon notice to the Shift Commander or Police Department administrative office. Such notification must be made as quickly as possible after the onset of the illness/disability.

Section 9. Absence due to sickness, injury or disability (not work related) in excess of that time which an employee has accrued for that purpose will be charged to vacation accruals.

ARTICLE 15

COURT ATTENDANCE

Section 1. Any employee who is required to appear in any phase of a legal proceeding as a result of their employment with the City shall be compensated for said appearance as follows:

- A. On-duty employees shall receive regular pay for the entire length of their appearance.
- B. When an employee has been injured in the course of employment, they shall report the injury and seek medical treatment, if necessary, in accordance with the procedures prescribed by Florida Workers Compensation statutes. This information will be posted and/or otherwise communicated and updated periodically by the Human Resources Department as needed.

Law Enforcement Related Incidents - Any line-of-duty injury intentionally inflicted by or resulting from the criminal act of someone else, or resulting from the performance of official law enforcement functions or responsibilities, but not in violation of any State statute or City/Department rule, shall be compensated as follows:

OVERTIME AND COMPENSATORY TIME

Section 1. Employees who are required to work in excess of eighty (80) hours during a fourteen (14) day work period shall either be compensated at the rate of one and one-half (1-1/2) times their regular hourly rate of pay for the hours worked in excess of their regular shift (immediately before or after), or shall receive time off at a rate of one and one-half (1-1/2) times the excess hours worked, at the discretion of the employee. Compensatory time will be capped at 240 hours.

Section 2. Already accumulated compensatory time can be used for paid time off at the discretion of the employee, provided that, except under emergency circumstances, at least five (5) days advance notice is given, and that it does not generate overtime for other employees or other scheduling problems.

Section 3. As of the last pay of each fiscal year, employees with more than forty (40) hours of compensatory time will be paid for all hours over forty (40) at the current rate of pay, unless as excepted below. This shall be the only occasion when an active employee is allowed to cash in compensatory time, except in the case of a bona fide personal emergency expressed in writing to the employee's immediate supervisor, utilizing the form and procedure provided for that purpose, (i.e., recommendation of the supervisor, Chief of Police and Director of Human Resources, and final approval by the City Manager or designee). Employees who have written approval from the Director of Human Resources to carry over more than 40 hours of compensatory time to the next fiscal year will be required to use those hours within a two-month period in the new fiscal year at the rate of pay for the prior fiscal year.

Section 4. The city has the prerogative to determine whether or not city police services will be provided for special events and prefers the use of city police services to alternative security services for special events. For the purpose of overtime computation, only time worked shall be considered as hours worked, except as provided herein. However, all hours designated by the Police Department as city "special events" assignments on off-duty time shall be paid at time and one-half regardless of any other hours reflected for that pay period. For non-city special events for which the city elects to provide police services, the police services will be provided by off-duty city police officers/~~supervisors~~ on a scheduled basis by agreement between the special event holder and the Fraternal Order of Police. City police officers/~~supervisors~~ will be paid by the special event holder at the rate specified in the special event agreement. The City reserves the right to direct city police officers/~~supervisors~~ to provide police services at non-city special events on an emergency basis if necessary. The rate to be paid by the city to city police officers/~~supervisors~~ for such emergency assignments will be one and a half times their normal city rate of pay. The City and Union agree that any injuries sustained by police officers/~~supervisors~~ working at special events and FOP details within the course and scope of their duties will be covered under the city's Workers' Compensation program whether they are paid by the City, the Union or the event holder. Hours on special events assignments shall not count as time worked for the purpose of overtime.

Section 6.

- a) Each member is responsible for accessing and monitoring their individual schedule that is posted in the City’s approved online scheduling program via either the employee access website or mobile application. Every employee shall check his/her work schedule and notifications each work day to look for additions, changes, updates, or any notes.

All overtime postings shall be assigned to the volunteer who has the least amount of assigned extra-duty hours. In the instance of a tie in extra-duty hours, the assignment will be awarded to the senior volunteer. If there are no volunteers for a posted overtime assignment and a supervisor determines the assignment is necessary for operational needs, then the bargaining unit member with the least amount of assigned extra-duty hours shall be ordered to work the assignment. In the instance of a tie of hours, then the least senior member will be ordered. The term extra-duty shall be defined as the total of all hours of City overtime and all off-duty details assigned to a bargaining member since the most recent reset date.
- d) All bargaining unit member calculations of assigned extra-duty hours will reset to zero (0) every April 1st and October 1st.
- e) In the event minimum manning coverage is needed on Patrol, a patrol squad Officer assigned to an 8-hour or abbreviated patrol shift would be assigned to fill the vacancy and work a full 12-hour shift. In the event of multiple Officers working an 8-hour day at the same time then the process described in section 6c will apply. Supervisors will consider the rest needs of members when making ordered overtime assignments.
- f) Members will be exempt from being ordered to work any assignment greater than 6 hours when it is adjacent to a 12-hour shift. Members are not authorized to work greater than 18-hours in a 24-hour period without first having an 8-hour rest period. This does not apply to appearances resulting from subpoenas.
- g) Any Officer filling an on-call position (Investigations, THI) will not be subject to ordered Patrol overtime while actively serving an on-call status. Agency members in specialty assignments, by nature of a task or circumstance (i.e. major casework, undercover

assignment), may seek ordered overtime “opt-out” approval for an indefinite period through their Division Commander.

- h) The City agrees to provide bargaining unit members with a city-owned cell phone for their use while on-duty. Members who are not scheduled as “on-call” are not required to carry this phone off-duty. - i) When any officer is being ordered in to work, the supervisor will make every effort to notify the bargaining unit member via the documented communication channels (cell, email, scheduling program, etc.). The supervisor will leave a voicemail notifying the member of the order to work. If after a reasonable amount of time, the supervisor has been unable to reach the member, then a supervisor may attempt to have the member contacted at their residence. Any attempts to contact that officer at their home will be limited to the front door of their residence.

~~j) In an effort to ensure that the new procedure set forth in Article 24: Section 6; a i, is functioning as was intended, both sides, if requested by either the FOP or the Department Administration, shall meet no less than six (6) months and no later than one (1) year, after the ratification of this agreement, to discuss, and make changes as needed up to and including termination the new article language.~~
