RE: Request for Continuance

Dear Ms. Stelzer:

Windham Development, Inc. is requesting a continuance of the City Council meeting scheduled for October 10, 2017 regarding the Preserves of Venice.

At the last City Council meeting, we were instructed to meet with Fox Lea and the two neighboring subdivisions, Sawgrass and Waterford. For various reasons, these meetings have not occurred. We are in the process of attempting to schedule them.

Following the meeting, Windham will likely need to make revisions to the plans and resubmit to the planning staff for their review. The staff has requested at least 30 days to review any modifications. This continuance would allow the additional time needed.

Based on the above, please consider this letter our formal request for a continuance of the October 10, 2017 City Council meeting to the Council meeting scheduled for November 28, 2017.

Please feel free to contact the undersigned if you have any questions regarding the above.

Sincerely,

WINDHAM DEVELOPMENT, INC.
