Honorable Mayors, Vice Mayors, Commissioners and Council Members,

On behalf of Gulf Coast Community Foundation, Community Foundation of Sarasota County, Charles and Margery Barancik Foundation, and The Patterson Foundation, it is

my honor to offer you the ***Sarasota Housing Action Plan***.

The *Sarasota Housing Action Plan* contains a most comprehensive collection of data and information about Sarasota's Cities and County housing market, as well as policy recommendations designed by adapting state and national best practices to Sarasota's specific housing needs and economic conditions.

Please feel free to contact myself, Matt, or Kirsten with any questions or concerns. We would also offer to present the plan at one of your meetings to better acquaint the community with the information and exciting opportunities offered in the plan.
