

SARASOTA COUNTY
"Dedicated to Quality Service"

June 2, 2016

Edward F. Lavallee
City Manager
City of Venice
401 West Venice Ave.
Venice, FL 34285

Dear Mr. Lavallee:

Per an inter-local agreement between Sarasota County and the City of Venice (Contract No. 90-447), any proposed change to the County's park impact fee schedule requires the County to hold a public hearing within the Venice city limits prior to adoption. As you are aware, Sarasota County has been working on updating the Impact Fees, which would represent structural changes to the impact fee schedule.

Ongoing outreach efforts regarding the Mobility Plan and Fee - including coordination with municipalities; meetings with advisory boards and industry groups; and public workshops - continue to provide helpful feedback to be incorporated in related documents.

With this in mind, we respectfully request that the Venice City Council waive the location requirement in order for the hearing to be held on July 12, 2016 at the County's R.L. Anderson facility, which is located outside the city limits. Your attention in this matter is appreciated as verification of the location is needed for advertising purposes.

Thank you for your consideration. Should you have any questions regarding this matter, feel free to contact me at tharmer@scgov.net, or 941.861.5111.

Sincerely,

Thomas A. Harmer ICMA - CM
County Administrator
