Subject: Pocket Parks = Nolen Greens

Heather,

Please place this on the next agenda under Council Action:

As reported at the last City Council meeting, our Parks and Recreation Advisory Board recommended to City Council that the official name of the open spaces that are encircled by houses (examples are the entrance to the open space at the intersection of Narvaezi and Madrid, entrance off Ponce De Leon or Harbor, entrance off Granada, entrance off Milan by the library, and there may be more) be officially called Nolen Greens.

Suggested motion:

I move that the open spaces within the City that are part of our park land be officially called Nolen Greens.

Second suggested motion assuming the first passed:

I move that the Nolen Greens be identified by name and that the Parks and Recreation Advisory Board be assigned the task of suggesting names to City Council.

Third motion:

I move that the City Manager be directed to include funding in the Fiscal 2018 budget for performing a survey of the Nolen Greens within the City limits.

Thanks,

John
