My wife and I spend much of our leisure time sitting out on our lanai. We especially enjoy sitting out in the evenings when our view to the southwest is of a pond, vegetation, and the sky with its sunsets and stars. If the commercial center is approved our view of sunsets and nighttime stars will be significantly diminished by the parking lot lights which will be approximately 38- 40 feet tall and will be on all night. We are also close enough to the intersection of Laurel Road and Jacaranda Boulevard that we will hear significantly more traffic than we do currently. Our quality of life will be significantly more affected than that of other people living in this area of Venice.
