RE: Vicenza-Phase 2
Final Certification
Permit #: 0124807-208-DSGP
PWS: City of Venice Utilities (6581901)

Dear Mr. Evans:

This acknowledges receipt of a certified request for a final letter of release for installed public water system (PWS) components of 6,928-LF of 8-inch water main; 2,146-LF of 12-inch water main; four hydrant assemblies; and associated appurtenances as part of the Vicenza-Phase 2 project.

Your engineer of record has certified that the subject facilities have been completed in accordance with the approved plans and specifications. These facilities were cleared bacteriologically in accordance with Rule 62-555.345 Florida Administrative Code. Bacteriological samples and pressure testing results meet DEP and DOH requirements. There are no deviations from permitted plans.

Changes in applicable laws and regulations with affect operating procedures and/or quality standards must be complied with. In addition, we wish to call your attention to the requirements that no sanitary hazards, regardless of how slight, shall be placed within 100 feet of public water supply well and under certain circumstances, this distance can be increased.

Based on this information, we are issuing this letter of release to place into service the installed PWS components for subject facility.

Please contact me at 941-228-7344 if you have any additional questions.

Sincerely,

Paul B. Penumudi, P.E.
