Subject: Fwd: accident causing damage to City property

Please place this on our March 22 council meeting to discuss the city procedures for collecting damages to city property.

Good Morning Ed and Merry Christmas!

Sometime during the last 24 hours a vehicle had an accident in front of 600 LaGuna. There is damage to a tree on the city right of way and some damage to the street striping. Just wanted to make sure there was a police report on this and it wasn't just a drive away. We will need to have Public Works make a repair claim to their insurance if there was a report.

Thanks,

John

John Holic

Mayor, City of Venice
