The Venice Historic Preservation Board and the City of Venice take
pleasure in presenting the

Venice Legacy Award

to

Bertha Honore Palmer Chapter No. 1355

in recognition of their contribution to restoring the history of Venice.

Formed in 2002, this Chapter has played an integral part in the restoration of Venice's history.

In 2005, Chapter No. 1355 donated the baggage car to the Railroad Station, and then later, in 2006, graciously paid for it to be reconditioned.

The grand pictures gracing the City Hall entrance were enlarged, framed and hung by this Chapter in 2010.

In 2012, this Chapter commissioned for the Army Air Force Gate to be refurbished.

Chapter No. 1355 had the showcase at the Venice Library filled for three years before it closed and then moved on to fill the cases at the Jacaranda Library, which were well received by the public.

Upon completion of the Lord-Higel House, the Bertha Honore Palmer Chapter No. 1355 will contribute to furnishings that will adorn the house.

The contributions this Chapter has made of time, money, dedication and commitment to our history have gone a long way in the restoration of the history of the City of Venice. Their good deeds have not gone unnoticed, and this great city is lucky to have the Bertha Honore Palmer Chapter No. 1355.
