

MEMORANDUM

TO: Mayor and Council

FROM: Lori Stelzer, City Clerk

RE: Resolution No. 2016-22

DATE: August 10, 2016

On June 28, 2016, Venice City Council approved Resolution No. 2016-20 vacating a portion of an alleyway as requested by Splash Sunfun Beachwear, Inc. The original application included the sketch and legal description for the entire alleyway. Exhibit A of Resolution No. 2016-20 was incorrect since it was only for half of the alleyway. Resolution No. 2016-22 is for the other half of the alleyway.

City staff reviewed this application in its entirety. There are no objections from staff and the proper easements have been executed by Bogey's and Splash. Splash was the recipient of the property vacated by the first resolution and Bogey's will be the recipient for this resolution.

If you have any questions, please let me know.
