WHY DO YOU DESIRE TO SERVE ON THE ABOVE BOARD? The Parks and Recreation available in our community has been very important to myself and my family. As a young parent, we were very active using the parks due to little league, soccer, swimming, surfing, hiking and running activities. As a teacher, I took my classroom to the parks on regular visits. I was actively involved in creating the 1st privately funded playground at Venice Elementary. I also spearheaded the planting of trees on our street to create a shaded pedestrian way. over →
