**Subject:** Special Meeting

Lori,

Code Enforcement cancelled their meeting on Thursday, September 1. Please advise if staff has manpower for a special meeting for City Council at 9 a.m. This is the same day that we have Executive Session at 2 p.m.

Topic of the meeting is the Fawley Bryant report on the current Police Station. This was a report that came in during council hiatus and should have been on our last agenda but was inadvertently left off. I was not made aware of the report until a luncheon last Friday and the results of this report could affect the direction council gives to staff on the Public Safety Improvement Bond.

Council, please do not reply all to this message or topic.

Thanks,

John
