## City of Venice Engineering Department

---

**To:** Edward Lavalley, City Manager

**From:** Kathleen J. Weeden, PE, City Engineer

**Date:** 09/02/2016

**Subject:** 09/13/2016 City Council Meeting  
Florida Power & Light (FPL) Solar Array at Venice Community Center  
Second Amendment to Solar Lease and Easement Agreement  
and Amendment to Memorandum of Solar Lease and Easement  
Agreement

---

### **Background:**

City Council and the Architectural Review Board (ARB) approved installation of a solar canopy shaded parking structure on the south side of the Venice Community Center. Individual Public notifications were sent to the adjacent property owners prior to consideration of the variance to the design standards by ARB. Additionally, public notice was published in the newspaper on numerous occasions during City Council consideration and prior to the ARB meeting. Construction activities were initiated in July 2016. Unfortunately, due to an error on the Site Plan by FPL's subcontractor, the solar array was located approximately 65 feet further south in the southern landscape island. Once the error was discovered, FPL made a good faith effort to attempt to relocate the structure further north. Due to the poured in place foundation and welded galvanized aluminum structure, relocation is not an option and the existing infrastructure would have to be demolished and disposed at an approximate loss of \$160,000. To avoid wasting the equipment and material already installed on-site, FPL has proposed to add enhanced landscaping on the south side of the project to screen the structure from the adjacent residences. The location of the lease and access easements would need to be expanded to allow the existing solar array to remain in place. The Amendment to the Memorandum of Solar Lease and Easement Agreement combines the modifications for Amendment #1 and Amendment #2 in a recordable document. Staff recommends approval of both of these documents to resolve the solar array location.

**Requested Action:**

Authorization for the Mayor to Execute the 1) Second Amendment to Solar Lease and Easement Agreement and 2) Amendment to Memorandum of Solar Lease and Easement Amendment Documents with Florida Power & Light Company for Solar Array Being Installed at the Venice Community Center

City Attorney:	Reviewed and approved.
Risk Mgmt.:	Reviewed and approved.
