MEMORANDUM

TO: Planning Commission Members

FROM: Jeff Shrum, Development Services Director

SUBJECT: Comprehensive Plan Update Discussion – Draft Comprehensive Plan Section I, Introduction and Section II, Background

DATE: September 27, 2016

Realizing we are still working through substantive topics for a complete draft plan, we are at a point where we should start reviewing and discussion regarding the content and general formatting of the Plan update. The consultants have provided the first rough drafts of Section I, Introduction and Section II, Background for your review and comments. In the coming weeks we hope to finalize direction/policy recommendation from the Planning Commission to continue providing subsequent sections of the plan. Upon review of Sections I and II you should start to see how the plan will be structured and function and provide some hint toward a completed Plan. Staff looks forward to your discussion and comments on these first draft sections of the Plan.
