Subject: agenda item

Lori,

Please place on the next available agenda under council action:

Direct Staff to Complete the Necessary Applications and Forms to apply for a grant from Sarasota County to update the Seaboard Area CRA. The area should be expanded to include the area from the north driveway of Venetia Bay Blvd. south along the Rt. 41 Bypass to Center Road approximately as per the attached map (I will ask Ed if staff is able to print a map for me). The western boundary is the intracoastal waterway with the exception of the three Venice bridges where the area would extend to Business 41 and extend one lot deep on either side of Business 41.

Ed, please provide a blank copy of the county application for this agenda item. The intent is to require the winning bidder to work with a Nolen professional like Victor Dover to update the Seaboard Area. We also need to let the county know that this should be a joint city / county project with the board of directors comprised of three members selected by the County Commission (at least one must be a County Commissioners), three members selected by Venice City Council (at least one must be a City Council member), and a business person that is in an operating business within the Seaboard Area.

Thanks,

John

John Holic

Mayor, City of Venice

PLEASE
