**MEMORANDUM**

**TO:** Planning Commission Members

**FROM:** Jeff Shrum, Development Services Director

**SUBJECT:** October 26<sup>th</sup> Workshop Meeting - Comprehensive Plan Update Discussion Draft Plan Sections: Introduction, Background, Comprehensive Plan Future Land Use (Partial Section) and Island Neighborhood Section

**DATE:** October 20, 2016

---

Staff and the consultant have provided four draft sections of the plan for review over the last two previous meetings. The purpose of this workshop will be to discuss these four items in detail with emphasis on major policy decisions that have yet to be made for inclusion in these four sections. I also anticipate that we will provide a draft copy of the open space section of the plan at the meeting to provide you with time to review and provide discussion at a future meeting on that item.

As always, please keep in mind that all of the information being provided at this time is a rough/preliminary draft that is subject to change which could include substantial changes as we move forward with further discussions. Once again Staff is looking forward to your discussion and comments on these initial draft sections of the Plan.
