Mayor John Holic
Venice City Council
401 West Venice Avenue
Venice, FL 34285

Hello:

Recently the Willow Chase community embarked on a road sealing project.

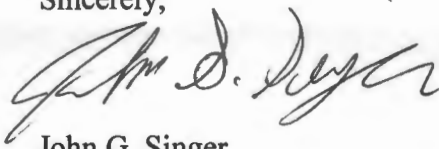

This was a large project for our small community. We removed all of the vehicles from the community and shut down all of our streets for two days. Additionally we prevented any large truck traffic from entering our community during the following week.

We went to the city looking for help and were amazed at the incredible support we received. Police, Fire, Public Works and our own resident Councilman, Bob Daniels all stepped up to lend a hand and make sure our project was successful.

I was overwhelmed by the kind, helpful and eager-to-please city employees that came to our assistance. Help with finding a place for the cars on Laurel Road, security for the overnight and a dumpster for the trash was all provided in an amazingly courteous and efficient fashion.

The people of Willow Chase want to thank the city for all their help. We are all truly lucky to live in such an incredible place.

Sincerely,

John G. Singer
