RE: Federal Legislative Priorities Recommendations

DATE: Nov. 18, 2016

Following the Nov. 8 City Council meeting discussion, the latest draft of the city's federal legislative priorities recommendations for fiscal year 2017-2018 has been updated to include removal of workforce housing, public safety (with the passage of the bond), and the museum from the appropriations requests in the previous cycle.

Of the remaining items, veterans/VA has been incorporated into the homelessness/mental illness item, and the post office relocation item includes a placeholder for a possible hotel.
